

### **Eligibility & Merit Point Calculation:**

1. Applicant must have Passed H.S./Equivalent level examination in **2017, 2018, 2019 & 2020**.
2. For B.A/B.Sc. Honours course application, **at least 45%** marks in HS/Equiv. level examination is required.
3. For B.A/B.Sc. General Course application, **at least pass marks (30%)** in aggregate in HS (Equivalent level) examination is required.
4. In practical based subject qualifying marks to be obtained **separately in theory and practical components**.
5. If the Honours subject applied for was not studied at HS level, the candidate will have eligibility for application only if she has studied at HS/equivalent level **an allied subject as identified by the college**.
6. **Pass marks in Maths at HS/Equiv. Level is compulsory for applying for Honours in Economics & Computer Science.**
7. **Pass marks in Chemistry at HS/ Equiv. Level is compulsory for applying for Honours in Microbiology, Nutrition (for Nutrition Hons, pass marks in Biology is also required)**
8. Merit Point Calculation:  
**Merit Point for Honours courses (M) = A + B + C**  
**Merit Point for General courses (M) = A**  
Where, A= % of marks obtained at HS/Equiv. level (Marks of best performing language and best performing three elective subjects to be taken into account. Marks of Environmental Studies won't be counted)  
**B= % of marks obtained at HS/Equiv. level in the Honours seeking subject/allied subject. (Please see page 9 for list of allied subjects)**  
**C= % of marks obtained at MP/Equiv. level (Marks of best performing subject from Language group, best performing subject from Science group and best performing subject from Social Science group – e.g. History, Geography, Economics, Civics etc. – to be taken into account. Marks of optional subjects and Environmental Studies (if any) won't be counted)**
